NOTIFICATION OF TEMPORARY CANCELLATION OF ERASMUS + ACTIVITY AND SURROUNDING ACTIVITIES ABROAD

To Whom It May Concern

Regarding to the guidelines of the National Institute of Public Health, the Ministry of Health, the Ministry of Foreign Affairs and the Ministry of Education and Sport of Republic Slovenia , and on the basis of the current epidemiological situation, based on exceptional circumstances related to the occurrence of coronavirus, this

NOTIFICATION
is published.

From 9. 3. 2020 until the cancellation in Domžale Elementary School (OŠ Domžale) we do not carry out any activity, in any way related to Erasmus +. This means that the students of Domžale Elementary School do not participate in mobilities abroad, as well as that students and teachers from abroad do not attend mobilities with us. The same applies to professional excursions and other educational activities that would be planned abroad.

Until the cancellation, employees of the Domžale Elementary school will not attend training, seminars and other activities related to Erasmus + as well as other such activities that would be planned abroad.

These are non-urgent activities, in which I judge that the level of risk is too high for their implementation and realisation, so Elementary School Domžale adjusts its activities as indicated.

The notification is valid until cancellation.
